CAREER SUMMARY

I am Md. Abu Naiem, a passionate Full-stack Web Developer with six months of professional experience. I recently completed a Diploma in Computer Science and Engineering (CSE), equipping me with a strong foundation in front-end and back-end web development. I specialize in creating responsive, user-friendly websites tailored to meet client needs and deliver exceptional functionality.

Beyond my professional pursuits, I enjoy watching anime and playing cricket. These hobbies inspire my creativity and enhance my teamwork skills, helping me bring fresh ideas and collaboration to every project I undertake.

WORK EXPERIENCE

Front End Design and Wordpress Expert at Shikhbe Shobai July 2024 - Present

At ShikhbeShobai, I worked as a Front-End Designer and WordPress Expert, creating responsive, user-friendly websites and customizing WordPress themes and plugins. I focused on optimizing performance, ensuring seamless functionality, and delivering high-quality projects on time.
